

Bay Cafe Open House

The wait is over! The grand reveal of one of the Club's most loved outlets took place on October 9 at an open house event. All members were welcome to join for canapés and drinks, with the Development Committee Chair, Sarah Merrill Mowat, thanking all those instrumental in making the renovation happen – and particularly a big shout out to members for their patience.

Five Star Clubs of Excellence

The Club has once again been recognized as a Platinum Club of the World, City Clubs 2020/21 – reserved for the Top 100 City Clubs in the world. See the Top 100 Platinum City Clubs at <https://clubleadersforum.com/pcow/platinum-clubs-2020-city/>.

2019 Board Appreciation Cocktail

Committee Members and the Board of Governors dedicate a great deal of time and effort throughout the year to attend meetings and events. On October 23, an appreciation cocktail reception was held to say thank you to members who served in 2019 and invite those interested in serving in 2020 to learn more about volunteering.

American Club Foundation: Your Voice Event

American Club Foundation building bridges to the community

Since September, the ACF has engaged over 100 people in its events that bridge the Club and local communities. On October 29, we kicked off our Your Voice Series by bringing NGO leaders to the Town Club to talk about their work and the impact they've made. We have had ACF families in the community helping the homeless and reading to underprivileged children.

Adults have also volunteered to help NGOs in a Design Thinking Hackathon. Please join our events and activities in 2020 so we can make a difference together! To join the ACF mailing list, contact info@acthk.org. Follow us on social media: Instagram @acfoundationhk and Facebook @AmericanClubFoundation.

Speaker Series with Adrian Hayes

Double world record breaking adventurer, author, and leadership coach, Adrian Hayes, shared an intimate breakfast with members on October 30 while telling triumphant stories of his climb on K2.

Meet Your Communal Christmas Tree

This year at the annual Christmas Tree Lighting on December 6, kids (and bigger kids alike) will be able to craft their own tree ornaments at our very special design booth. Members can then decide to take their creations for their home trees or help to decorate the Club's communal Christmas tree which will be set up in Tides.
